Sir,

I have the honour to state that the Musafirkhana at Chennagiri is rarely used by the travellers and that practically no income is derived therefrom. Besides, there is another building in a dilapidated condition in the compound of the Travellers Bungalow which was used as Dak Bungalow before the construction of the present Travellers Bungalow. For want of suitable houses, the Amildar is put to too much inconvenience. The Taluk Board therefore recommended at its Meeting held on 31st December 1924 that the Musafirkhana may be permanently given away with necessary alterations for Amildars Quarters and that the old T.B. might be converted into a Musafirkhana after effecting necessary repairs. When the subject was considered at the Meeting of the District Board held on 4th April 1925 the recommendation of the Taluk Board was approved and it was resolved that the Government be requested to hand over the old T.B. to the charge of the District Board for using it as Musafirkhana after executing necessary repairs. An estimate for Rs 700/- has been received

for

for the repairs of this old T.B. and is under scrutiny in the D.P.W. A copy of the resolution passed on the subject is enclosed herein for information. The rent recovered from the Amildar will be credited to the Taluk Board funds, whose property the building is. The old T.B. which is proposed to be converted as a Musafirkhana will also be under the management of the Taluk Board.

2. I request you will be so good as to obtain orders of Government in the matter.

I have the honour to be,

We, the undersigned citizens of Channagiri, beg to tender this our humble petition to your kind consideration and favourable order by which the following proposal shall be cancelled and the matter will remain in its original condition So that the needy public will be benefited

We beg to state as follows:—

That the proposal to convert the musafarkhana into the Taluk Amildar's residence is neither desirable nor convenient

2 That the Channagiri taluk is one of biggest talukas in the State with more than 260 villages and an enormous population.

3 That the aforesaid musafarkhana is constantly used by not only the villagers in the taluk who

visit the town on official business from times immemorial but all kinds of travellers — the rich and the poor, the official and non official.

4 That Mr. B Subramanya Sastry ex-Amildar of Chamrajpet, well realising the absolute necessity of erecting another Chattram in addition to the aforesaid Musafarkhana since the Musafarkhana is not sufficient for adequate accommodation. Succeeded in collecting large sums of money from the ryots in the taluk though the object in view ultimately failed

5 That the aforesaid Musafarkhana is situated in the town in such a position that the travellers in the absence of any other chattram find it very safe and comfortable

6 That the Taluk Amildar may be allowed to stay in any rented house in the town or a separate building may be erected for him

Under the above circumstances we, the citizens of Chamrajpet beg your honour kindly to consider this humble petition and pass a

favourable order, cancelling the
aforesaid proposal and thus helping
the poor and the needy

Sir

With reference to correspondence ending with your D.O.letter L.2376 dated the 3rd October 1925 regarding the proposal of the District Board of Shimoga to convert the old Dak (T.B) Bungalow at Chennagiri into a Musafirkhana, I have the honour to inform you ~~that~~ that the Executive Engineer, Shimoga Division who was asked to report in the matter has reported that the building in question is a small katcha structure in a dilapidated condition. It is stated that it is not worthwhile spending any money on its repairs, it has to be dismantled and the dismantled materials may be sold by public auction. The materials if auctioned are likely to fetch Rs 150.

Under the above circumstances I am of opinion that it is not desirable to spend a large sum of Rs 700 in repairing a dilapidated kutcha building.

Sir,

With reference to your official Memorandum No. L.1763/ml. 171-24-6 dated the 5th September 1925, calling for a report on the petition of Mr. Siddappa and other citizens of Channagiri, received at the General and Revenue Secretariat, I have the honour to state that the records of enquiry go to show that the ~~records~~ said petition is the outcome of some private grievance by the owner of the house in which the Amildars used to be put up. This matter is dealt with in detail in the Thirthahalli Sub Division Officer's report No: L.C.239 dated 21st October 1925. From the rumours that reached my ears I found that it was quite indevisable that the Amildar should continue to live in the house of Balabasappa, and therefore advised Mr. Siddaraj Urs to shift himself to the Musafirkhana for which the necessary permission was accorded. The present Amildar Mr. M. N. Anandalwar has also been permitted to occupy the Musafirkhana in which he is at present living. There is no other suitable accommodation available in the town of Channagiri. I mean to propose the purchase of the Musafirkhana by Government for its present value

~~No. C. 722/L.B. 24-25 dated 5/7th June 1926.~~

and converting the same as quarters for the Amildars. With the same amount augmented by a contribution from the local bodies it is intended to build a separate Musafirkhana. These matters will form the subject of separate communication.

2. It will also be seen from the aforesaid report of the Thirthahalli Sub Division Officer that the present Musafirkhana is nearly occupied by travellers and the occupation of the same by the Amildar is causing the least inconvenience to the public. Even to meet the contingency of the travelling public requiring accommodation once in a way, I am arranging to convert temporarily into a Musafirkhana a few rooms in the old Taluk Cutchery building, till such time as the new Musafirkhana building is erected.

3. As regards the history of the Town Hall and the part played by the then Amildar, Mr. Subrahmanya Sastry, they are fully dealt with in the Amildar's report No. 173 dated 15th December 1922 and Mr. Subrahmanya Sastri's note dated 26th November 1925. The whole scheme was carried out by non-official agency with such help and encouragement as the local officers could legitimately render. The President of the non-official Committee and its first secretary are dead and no accounts are available. The Town Hall is now an ornament to the town and is serving a very useful purpose. The Reading Room is well maintained and benefits the reading public. I might here add that the petition has no complaint to move in this matter.

4. The connected records are herewith submitted for reference and return.
